ABOUT US

Shantou Zhongyi Plastic Products Co., Ltd. is located in Shantou, Guangdong, a special economic zone known as the seaside Zoulu. Founded in 2014, the company specializes in producing PET, PP, BOPS, OPS and other sheet suction and injection molded products. It is a leading enterprise in the food packaging industry, operating two modern production bases that cover a total area of over 11,000 square meters. These facilities are equipped with a 100,000 level dust-free workshop and multiple three station fully automatic vacuum molding machines, ensuring maximum production capacity and high-quality output.

The company utilizes one-stop production process, from raw materials to sheet materials, molding, and finished products, which gradually reduces production costs and enhances competitiveness. Shantou Zhongyi has a strong R&D team dedicated to blister packaging design, enabling the customization of personalized products for customers. The company has obtained ISO9001 (quality management system), ISO14001 (environmental management system), and ISO45001 (occupational health and safety management system) certifications, significantly improving its management capabilities.

With a team full of vitality and expertise, Shantou Zhongyi excels in industry-leading process technology and equipment operation. Adhering to the principles of professionalism, quality, and efficiency, the company has earned unanimous praise from customers and established long-term, stable cooperative relationships with multiple large retailers and national baking chains.

Our Clean And Tidy Workshop

High-end leading processing and production equipment, experienced operating technicians, rigorous production process, is our art quality guarantee, from product development to material selection, product processing and other strong production capacity and scheduling plan, for the product market layout to seize the opportunity.
